

# Tax Control Formula™

“Every man is entitled, if he can, to order his affairs so that the tax attaching under the appropriate Acts is less than it otherwise would be”

## What is the Tax Control Formula™

Tax Control Formula™ is a step-by-step process to help shareholding directors and their companies control taxes.

The Tax Control Formula™ is a step-by-step process to help shareholding directors and their companies control taxes. You are most likely to benefit from the Tax Control Formula if your company has:-

- been in business seven years or more
- a sales revenue of at least £1,000,000 - probably £3,000,000 or more
- annual Corporation Tax bills of £25,000 or more
- positive future prospects

The Directors will :-

- own the Company
- want to take control of their tax position
- want to pay less tax as soon as possible

The first step towards gaining control over your personal and corporate taxes is free. We have created the Tax Control Workshop© to provide you with:

- An overview of our service
- Ideas for controlling Corporation Tax
- Ideas for controlling Income Tax
- Details of our Tax Sweep Service - a service for those who have fallen into the Tax Audit Trap, a pitfall for directors who wrongly believe that their current Audit procedures are an aid to reducing their tax bill.
